

Riverwatch Middle School PTSO Membership 2021-2022

Now more than ever, it's important to support our teachers and students.
Joining the PTSO makes this job a little easier.

Last school year, the PTSO provided funds for teacher grants, PBIS and Flex Time Manager Programs, water bottle fillers, outdoor classroom seating and more.

This year our goal is to provide shade for our outdoor spaces, quality web cameras for teacher instruction and to be as responsive as possible to the needs of our school during this unprecedented year.

Whether your student is attending in person or virtually, you are a part of the Riverwatch family and we still need your support. All students benefit from a strong school community, whether you are on campus this year or not.

Your donation does not require you to attend meetings or volunteer and is simply a tax deductible donation to your child's school PTSO, a 501(c)(3) organization.

\$25 PAW level includes RMS PTSO Membership & Coupons

\$50 CUB level includes #RMSBetterTogether Magnet, RMS PTSO Membership & Coupons
